

PARTNER WITH MEMBERS CHOICE

Give your members a real benefit - at no cost to your organisation.

Insurance is one of the most common questions your members face, and one of the hardest to navigate on their own. Partnering with Members Choice means you can offer them free, AI-powered quotes through the channels you already run.

- ✓ We manage the entire process – product design, setup, administration, and ongoing support. You provide access to your members. We handle the rest.

FOR YOUR MEMBERS

What your members get.

Free quotes across eight insurance products.

Compare a wide range of cover options at no cost, across the products that matter most.

AI-powered comparisons — fast, personalised, and accurate.

Our AI technology compares policies in seconds to find the best cover for each member.

Member-only pricing where available.

Members get access to special rates and discounts from our insurance partners.

An Australian team to call when they need to talk to a person.

Real support from our friendly team based right here in Australia.

FOR YOUR ASSOCIATION

What your association gets.

A meaningful member benefit

Offer real value to your members with a benefit they can use and trust.

Optional revenue share on completed policies

Earn income when members choose to take out a policy through us.

A simple link, button or widget

Easy to add to your website, emails or member portal — we handle the build.

A co-branded landing page

We create a professional page branded for your association, ready to share with members.

Quarterly reporting

Clear insights on member engagement, quotes and outcomes you can use.

HOW PARTNERING WORKS

Simple to set up. Easier to run.

Three simple steps for associations. Fast for your members.
More value for your organisation.

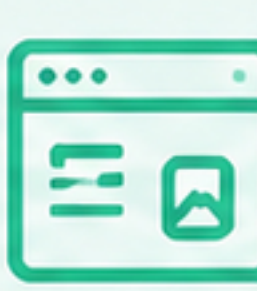

01

We have a conversation.

We learn about your association, your members, and the cover that would help them most. No obligation at this stage.

02

We build your integration.

A link, a button, a widget, or a co-branded landing page — whatever works best for your organisation. We handle the technical build.

03

Your members start saving.

They get free quotes whenever they need them. You receive regular reports on uptake, and a revenue share on completed policies.
