HERE'S WHAT HAPPENS

Simple from start to finish.

Three easy steps for associations. Fast for your members.
No cost, no pressure, no obligation.

01

Your association partners with Members Choice.

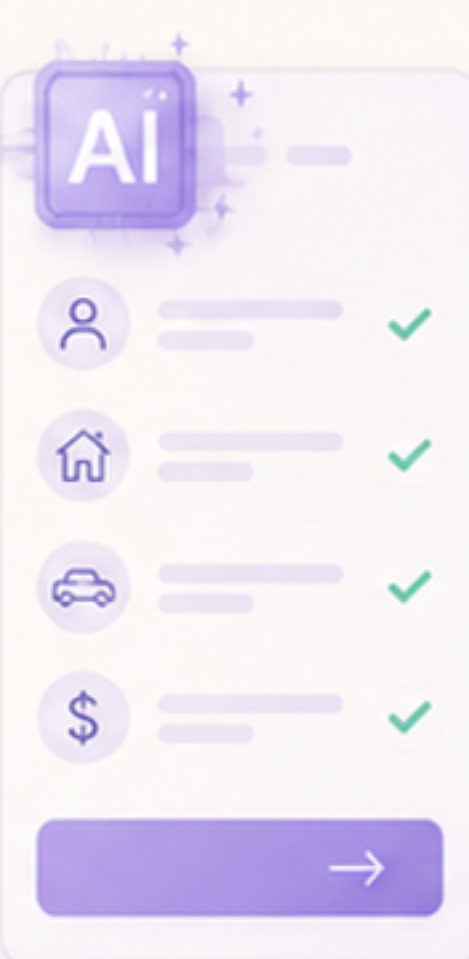

Members get free access through their portal, website, or communications.

02

You use our AI quote tool.

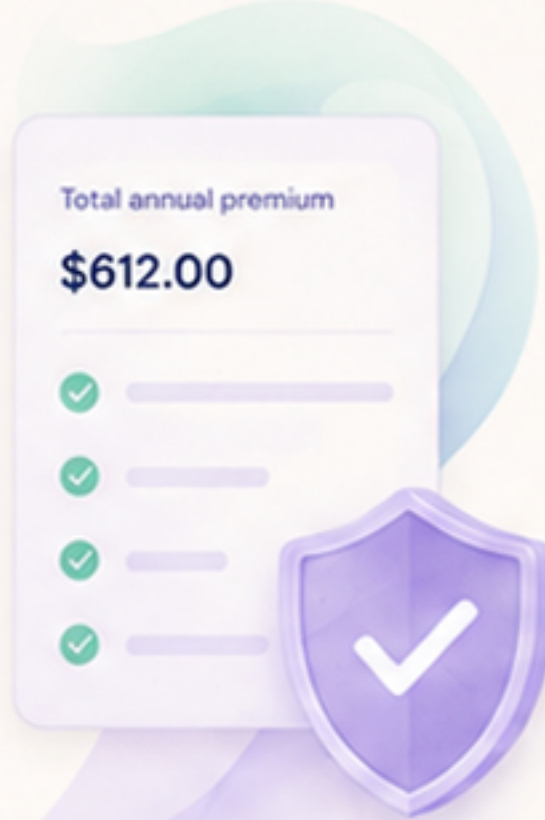

Members answer a short set of questions about their situation, current cover, and what they need. Most finish in under five minutes.

03

You decide what to do next.

Review the quote, talk to the team, buy if it suits, or walk away. Free either way, with no follow-up pressure.

OUR PROMISE

Clear benefits. No compromises.

Members Choice is built to put members first — with honest advice, real people, and support you can rely on.

WHAT YOU GET

What's included in every quote.

- ✓ **Personalised quotes** across multiple products — not a generic template.
- ✓ **Honest comparisons** against what you already have.
- ✓ **Gaps in your current cover** flagged clearly.
- ✓ **A real person to talk to** before, during, or after — same number every time.

WHAT WE DON'T DO

A few things we won't do.

- ✗ **Spam you.** One quote. One follow-up if you want it. That's it.
- ✗ **Sell your details.** Your information stays with Members Choice.
- ✗ **Push cover you don't need.** We quote what suits your situation.
- ✗ **Replace a real person** when you need one.

OUR AI QUOTE TOOL

Faster, smarter, fairer.

Members Choice uses AI to skip the repetitive part of insurance, asks the questions that matter, compares options across our product range, and builds a **tailored quote**—fast.
